Turnkey Projects Solutions

# ENGINEERING PAINT SHOPS AT SCALE

Established  
**2006**

**200+**  
Skilled  
Professionals

**3**  
Production  
Facilities  
500,000+ sq.ft  
Infrastructure

**18.6 €**  
Million  
Annual Turnover

**SIDHARTH AUTOMAT INDIA PVT. LTD. IS A TURNKEY ENGINEERING COMPANY SPECIALIZING IN LARGE-SCALE AUTOMOTIVE PAINT SHOP SYSTEMS.**

## CORE COMPETENCE

- PT & CED Lines
- Robotic Top Coat Systems
- Electric Ovens & ASU
- Material Handling Systems
- Brownfield Modernization

**Complete In-House Manufacturing & Project Execution Control**

# PAINT SHOP ENGINEERING CAPABILITY

## COMPLETE PAINT SHOP SYSTEM ENGINEERING

Sidharth Automat designs and delivers fully integrated paint shop systems for automotive and industrial manufacturing.

Our engineering approach combines **process understanding, equipment design, and execution capability** to deliver reliable paint shop operations.

### CORE SYSTEM EXPERTISE

- ✔ Pretreatment & CED Plants (PT-CED)
- ✔ Robotic Top Coat Lines
- ✔ Dry & Wet Paint Booths
- ✔ Powder Coating Systems
- ✔ Gas & Electric Curing Ovens

### PROCESS SUPPORT SYSTEMS

- ✔ Conveyor & Material Handling Systems
- ✔ Paint Kitchen & Circulation Systems
- ✔ Air Supply Units (ASU) & HVAC Systems
- ✔ Flash-Off & Drying Zones
- ✔ Utility & Automation Integration

### ENGINEERING APPROACH

- ✔ Integrated plant layout & process planning
- ✔ Modular system design for future expansion
- ✔ Brownfield modernization capability
- ✔ In-house fabrication & installation control
- ✔ Structured commissioning & production support

**Integrated Engineering for Reliable Paint Shop Performance**

# PROJECT SCALE & ACHIEVEMENTS

## EXECUTION ACROSS GLOBAL OEMs

### Major Automotive Installations

- Tata Motors – Sanand,
- Jamshedpur, Pune
- Maruti Suzuki – Kharkhoda
- Suzuki Motor Gujarat
- Toyota – Gosai Bangalore
- Skoda Auto Volkswagen India
- Volvo Eicher
- Fiat
- JLR – Tata Group

### Tier-1 Supplier Projects

#### Metal Parts:

SKH Metal | Wheels India | SSWL |  
Metalman | Claas India

#### Plastic Parts:

Tata Auto Plastic | Moriroku | DLJM |  
Toyota Gosai

### Best Achievement Figures

Fastest Car Bumper Line in India,  
**8 Weeks** Completion

**30 → 40 JPH**  
Capacity Expansion (Skoda)

**20 EC Fan**  
Retrofit at Tata Sanand

**98% Sludge**  
Removal Efficiency  
(Tornado System)

**Large Scale. High Complexity.  
Proven Performance.**

# CUSTOMER RECOGNITION

Recognized by:

Tata Motors - Exemplary Services

Toyota - Project Execution Recognition

TKML - Safe Working Practices Award

**Repeated orders from major OEM groups.**

## WHY WE ARE IN GERMANY

Germany represents global benchmarks in automotive engineering & sustainability.

We are here to:

- Present our Green Paint Shop Platform
- Collaborate with European OEMs & Integrators
- Share proven carbon-reduction engineering
- Explore strategic technology partnerships

## WHY CHOOSE SIDHARTH AUTOMAT

- ✓ In-House Manufacturing Strength
- ✓ Fast-Track Execution Capability
- ✓ Brownfield Modernization Expertise
- ✓ OPEX Operating Model
- ✓ Proven 20+ Year Installations
- ✓ Sustainability-Integrated Engineering
