Expert tips for the PaintExpo 2024 press service

Your press work related to PaintExpo can make a significant contribution to your success at the trade fair.

For this reason, we offer you our free press service.

Please let us know by December 20, 2023 at latest which new products you are exhibiting or which services you will be presenting at PaintExpo 2024. Leipziger Messe processes the data collected for the purpose of publishing press releases, news items and social media activities and make them available for journalist at the PaintExpo website.

Only press releases informing about innovations and improvements to products, plants, materials, processes or services will be published.

Articles with company histories, missions and visions, details of the number of employees or customers will NOT BE PUBLISHED! This information can be found on your website.

If you have any questions about the press service, please contact:

Mr Christian Heinz

Phone: +49 341 678 6514
